BE WARNED! BLASPHEMIES!

THIS BOOK IS NOT INTENDED FOR CHRISTIANS!
IT CONTAINS BLASPHEMY, AND DOES SO PROUDLY.

THAT IS BECAUSE SOME OF THE PASSAGES MAY OFFEND DELICATE CHRISTIAN SENSIBILITIES, AS THEY ARE, IN FACT, PURPOSEFULLY INTENDED TO DO.

SO, IF THE READER FEELS THAT THERE IS ANY CHANCE WHATSOEVER THAT HE OR SHE MIGHT FIND THE CONTENT (CONSISTING OF THIRTY SIX INDIVIDUALLY BLASPHEMOUS YET ABJECTLY TRUTHFUL QUOTES) OF THIS BOOK OFFENSIVE, THEN THIS READER SHOULD NOT READ ANOTHER PAGE, AND INSTEAD, SEEK SOLACE IN *THIS BOOK IS INTENDED TO OFFEND ATHEISTS*, WHICH, AS ANY CHRISTIAN THAT HAS ACTUALLY READ* IT WILL SURELY AGREE, IS A VERY, VERY SATISFYING READ.

* - That is, any Christian that happens to actually read *books*, as most may read other things, but not actual books (their content).

THIS BOOK IS INTENDED TO OFFEND
CHRISTIAN VALUES

by Chongo

MAY 2018

PURPOSE OF THIS BOOK

The purpose of this book is to showcase what the true values of a Christianity actually are, by highlighting these values, as they are expressed by Christians in America. But, Christian values are fundamentally the same, in any country anywhere, that is, to indoctrinate others to want what they want them to want. By showcasing the character of these values, as they are expressed in America, they can be appreciated for the actual impact that they have upon the real world, both in America and everywhere else, as well as the far-reaching impact that they have had on this world after decades of effort and work, successfully indoctrinating most Americans to indoctrinate their own children and family, and friends, and to great effect.

DEDICATION

This book is dedicated to the victims of the cruel policies of greedy, uncaring, sponsors and promoters of any and all Christian political movements, specifically, those that succeeded in America. But especially, it is dedicated to the memory of my siblings, all younger, each of whom was their victim; which, in great part, is why this author chooses to write about what he does and why his passion for doing so runs as deeply as it does, as expressed in the bitterly harsh and what he hopes are harmfully wounding words that he chooses as his tool. He seeks to expose the genuine character of the treasonous evil behind the frail Christian veil, because that is exactly what religious belief is and what it deserves in the face of science. Indeed, it deserves worse, because humankind itself deserves so much more than petty, simple-minded, religious belief. It deserves *freedom from enforced ignorance* (this being how Christianity always succeeds at its primary business of owning everything that it can, but especially the mind, because again, it is that that is their very business: possessing, owning, and ruling, everything that they can).

THIS BOOK IS INTENDED TO OFFEND
CHRISTIAN VALUES

In this author's mind, the term Christian values is a term that Christians use to justify Christianity's long standing, perpetual, uncompromising, uninterrupted, and, most noteworthy, *actual* war against people who happen to be vulnerable, disadvantaged, unlucky, or poor, while 'claiming' to care for them. This is the deepest lesson to be learned from Christian values, and hallmark of their most obvious feature: that they are wholly unconcerned about the genuine alleviation of any real human suffering, except pretending to be concerned, purely a show for self-promotion, because common consensus so readily allows and encourages Christian hypocrisy to be defiantly blatant, widespread, and acceptable, while such values pose the greatest threat to human existence that humans have ever faced, as these values give no value (or thought) to continued human existence and, in fact, openly predict human extinction as a 'righteous' act of the 'perfect' deity that they worship, and the perfect world that He created that is now dying.

Physical fact is completely meaningless in the face of unyielding faith, reason utterly powerless, in the face of mindless belief, but necessity, surprisingly cunning, uncaringly ruthless, and reliably effective, when confronted with determined ignorance; which introduces a remarkable question that surely is the most important question that anyone with a stake in the future can ignore, but not avoid asking, and a question that few today may even possess the courage to ask in the first place yet should. That question is this: **What could ever come to pass upon those who labor to end all human life, that could ever be legitimately judged as being evil, unless all of complex life** ➡

itself were as evil, indeed, unless intelligent, ephemeral, sentient existence itself, truly were, in the face of it unmistakably being so vastly much more, and hence, so very, very much worth defending and preserving, especially irrespective of the price that must now be paid by those who remain sorely determined to preserve ignorance and the corrupt, dying world that determined ignorance always brings upon all, instead of fighting for something better, like human dignity and individual liberty? And unquestionably, is not the answer as obvious as any answer, to any question, could ever be? Again, the answer is as starkly undeniable as it is obvious: absolutely nothing whatsoever could; again, nothing.

Christian values glorify 'moral' health professionals for bringing damaged embryos to birth so that they can provide occupational opportunity for police who will pursue them once they are old enough to run, prison guards to bully them, once life becomes hopeless, and preachers to give them the gift of lowered expectations to go with a sense of personal blame that they will have to bear, all for the mere sake of indulging the arbitrary whims of those who are least kind, so that they might have eternal paradise, regardless of the living suffering that must be paid to get it, which they always fully justify.

Christian values do not include the right to own one's own body.

Christian values blame always the child, that is, unless it is the parent that is blamed instead, for not punishing the child enough.

Christian values place children last, after god, country, and parents.
